

OUR BOYS IN AUSTRALIA, But AS LABOR BATTALIONS

Australians Applaud Men As They Land

UNITED STATES ARMY HEADQUARTERS in Australia—American Negro troops are with the AEF under General Douglas MacArthur in Australia, but, as in the last World War, their duties are mainly as labor battalions.

Enroute here to this "white man's country" from which colored have been legally barred since 1901, it was the Negro troops who took the rough journey in stride, like soldiers, while the white troops became panic stricken.

And when they embarked here carrying heavy barracks bags it was they who managed to present a smart appearance while the white troops did not present an ultra smart appearance.

Even Australia, used to colored bands and a custom to seeing black soldiers, applauded as the Negro troops marched off the transport.

Secretary of War Stimson announced in Washington last week that Negro troops were in Australia.

The following account from the correspondent of the New York Times, written from Australia, is proof that Negro troops are there as no combatants:

"United States Negro troops, whose presence here could not be mentioned in dispatches until today have been well received. The ban was lifted with the announcement by Secretary of War Henry L. Stimson at Washington that Negroes made up part of the American Army in Australia."

"A long-standing 'white Australia' policy has been accepted by all political parties here. The aim of that policy is to protect the Australian worker from the competition of any peoples, black, brown or yellow, who might accept lower standards than the white."

Breeze Corp. Is Lily-White

The Breeze Corporations with headquarters on South Sixth Street handle millions of dollars in defense orders for airplane parts and hire 2000 employees, but not one of them is colored.

This week J. S. Feeney of the Corporation, however, wired Charles Simmons of 56 Tichenor Street, radio and sound truck expert, who had applied for a job as guard at the firm. Here is the wire:

"Vacancy exists. Report employment office 500 Central Ave. Tuesday, March 31, 1942 at 1:30 A. M. Bring Birt certificate."

Breeze Corp.—J. S. Feeney: Simmons, whose application had plainly stated he was colored, showed up for the interview but Feeney made a diplomatic about face and suavely told Simmons to colored help was wanted.

"We employ about 2000 and they are all white," Feeney frankly said. "There have been one or two colored applications but we felt the other workers would not react favorably."

Simmons said Feeney was quite diplomatic in his refusal, even taking time to call Negro labor situation in general and citing mutual colored friends of both he and Simmons. Nevertheless Simmons was turned down. Feeney did not even ask for his birth certificate.

Apparent Simmons application was not too carefully read and the fact that he is colored may have been at first overlooked.

Breeze Corporations were called.

Who Killed Ernest Loeffler?

JERSEY CITY — Who killed Ernest Loeffler, 48 year old WPA boss who was stabbed to death in mid-February a few steps from his home at 160 Union Street?

Jersey City police have apparently come no nearer to solving this murder today than they were the week it happened.

Unlike their far flung activity last December when Joseph Smith, Theodore Smith and William Simmons were hunted down for the Jackson Avenue murder, of a white bartender, E. J. Murphy, there has been no intense activity by detectives over the Loeffler murder.

Loeffler told police before he died that he did not recognize his killer save that the man was a white man.

Since then it was learned that Loeffler was so conscientious of his WPA job that he kept detailed notes of everything that happened

Keil Regains Lead In 5th Week Of Bartenders' Contest

Harold Keil of Saul's Tavern, Newark, regained the lead this week in the sensational Herald News' Bartenders Contest: Jumping up from third place last week, this star contestant put on a spurt this week which reveals him more than ever as the man who will be in there battling to the end.

Still holding firmly on to second place is Bill Roberts of the Boston Plaza. Bill is consistent in this fight and his many friends and supporters are marshaling forces for a brilliant drive down the home stretch which they hope will see their favorite out in front at the finish.

Dropping back into third place is George Satchell of Rialto and Grill of Morrisville who last week caused a sensation by suddenly regaining the lead.

Mrs. John's Killer Gets 15 to 20 Yrs.

George Karpowich, 32, 30 Barbours Street, was sentenced only 15 to 20 years in states prison for the January 9 murder of Mrs. Mable John of 88 West Kinney Street.

He was so sentenced last week by Judge Flannagan. He killed Mrs. John, sister of the late Isaac Fisher, because she refused him another pint of whiskey, he told the prosecutor. Fleeing to Vermont he was captured two weeks later.

Judge Flannagan also sentenced William J. Edward, 21, 17 Little Street, and David Irving, 26, 149 Charlton Street to 8 to 12 years on four charges and William Grant, 22 of 121 Montgomery Street 4 to 6 years on charges of purse snatching.

League Hits Bias

NEW YORK — The National Urban League this week protested to Donald M. Nelson, Chairman of the War Production Board, and to Sidney Hillman, Director of the Labor Division of the War Production Board, against defense training policies which threaten to bar Negro workers of the South from jobs in industrial war production. The League emphasized the ironic contradictions of a Federal policy which offers the best training facilities to Negroes in that section of the country where the greatest number of Negro workers are to be found.

Cosmetic Firms Organize for Wider Market

JERSEY CITY — A national movement to organize all Negro manufacturers was launched Sunday afternoon at a meeting of leading cosmetic firms, jobbers and distributors held at the New Jersey Academy of Beauty Culture on Jackson Ave. The organization plans first to limit itself to closer control of the \$16,000,000 a year Negro beauty products market in United States.

Its name is expected to be "Negro Business, Inc."

Its members will use an easily recognized symbol indicating the product is of Negro manufacture on each item produced in their factories.

Adolph Phillips of the Adolph Beauty Products Co. of Philadelphia suggested the organization and it will work in close cooperation with all beauticians through the National Beauty Culture League of which Mrs. Cordelia Greene Johnson is president.

Richard L. Martin, vice president of Peerless Products Inc., manufacturers of Nu Nile products and copublisher of the N. J. Herald News was elected president of the organization.

The meeting was presided over by Mr. Earl Ballard of New York. Other officers elected were: Mrs. Mabel Driskell, 1st vice pres; Adolph Phillips, 2nd vice pres; Vernon Suttage, 3rd vice pres; Mack Jemour, 4th vice pres; Carroll Wright, recording secretary; Clarence Wilson, corresponding secretary; Lester McKee, financial secretary; Mrs. Cordelia Johnson, treasurer and William Driskell, Jr., chaplain.

"This organization will bridge the gap which has existed between the colored manufacturer of beauty products, the jobbers, distributors and our beauticians. With a better understanding and closer cooperation among us will come better service and a firmer grip upon this market by our race," Mr. Martin pointed out in his eloquent speech of acceptance.

Negro Business Inc. will later branch out and accept memberships from all Negro manufacturers whether their products be hats, dresses, cosmetics or any other products. Application for membership are being received at the office of the President, R. L. Martin, 568 Jackson Ave., Jersey City.

The organization will be completed along super-modern lines and will, as part of its work, gather much market data of inestimable benefit to the manufacturers. Eventually its office will contain ready references files, detailing purchasing power, residence, facts and figures covering

JERSEY CITY — Dr. J. Earle Stuart, Consultant Negro Health Program, State Department of Health is persisting in his action to stage a Jim Crow tuberculosis clinic at Public School 14 for a survey solely among Negroes despite the fact that ample medical facilities of Hudson County already provide for such medical care without segregation.

Arranged against him are the Jersey City NAACP, the Jersey City Physicians Association and the Ministerial Alliance who point out that with facilities such as the Jersey City Medical Center there is no need for an outside group survey.

TO WAR DEPT.

The girls were the first of more than 100 skilled women workers who eventually will be employed in the manufacture of small plant, home and flare chutes at the Pacific Parachute Co., subcontractor for the Standard Parachute Corp.

The new war plant is backed by Eddie Anderson—Rochester of the radio, and films—and is managed by Howard (Skipper) Smith.

Women of all races would be employed, Anderson said, but that most of those already trained for the work by the National Youth Administration were Negroes and Mexicans. Only one white worker works in the plant at present.

Eloyd C. Covington of Los Angeles interjects the concern, pointing out that the plant was put into effect a practical follow-through to President Roosevelt's recent order banning racial and religious discrimination in war industries.

Mr. Henry Smith, son of Mr. and Mrs. John Smith of 632 Forest street, who has been doing clerical work at the local Court House, Jersey City, has landed in the Engineering Department at Washington, D. C. He began his duties Monday morning. Henry is a product of the Clifford High School and after graduation came to Jersey City and did special work at City College and Columbia University.

Kraft Drops Bar

JERSEY CITY—The great Kraft Manufacturing Corporation which makes cheeses, sandwich spreads and other dairy products dropped its color bar against Negro workers Monday morning when five men went to work.

Then the Kraft Company took a second step Wednesday morning when they hired 20 girls.

This action by Kraft follows close in the wake of the recent victory by Jersey City organizations and the New Jersey Herald News over the 136 year old bias at Colgate and Company. Colgate is hiring more and more Negroes.

The fight for jobs began months ago by the Fair Employment Committee, the Ministerial Alliance and the NAACP also resulted in other victories last week. Western Electric hired more girls of color. The Standard Parachute Co. hired more Negroes.

Police Cruelty Issue Caused By Murder Case Of 4

A spreading battle against police brutality in Newark is being waged in the wake of the January murder trial of four youths charged with slaying Vincente Rolle of 92 4th Ave. in January, 1941.

The four youths — Albert Lee Robinson, Charles H. Jackson, John E. Parker and Chauncey Talbot—were all advancing police brutality by members of the Homestead squad as their defense when their trial suddenly ended after a week. Talbot and Robinson were acquitted and Jackson and Parker charged with first degree murder. Their pleas were returned to life.

Delay Trial of Minister and 4

The conspiracy case involving John O'Bryant, Leavy McElroy, Benjamin O'Brien and Mrs. Sally Spencer, against whom Mrs. Lilly Bell of Monmouth Street is plaintiff and which also involves the Rev. Page M. Beverley and John O'Bryant was Monday divided into two separate trials in Judge Van Riper's Common Pleas Court.

Both Mrs. Spencer, defendant at Jerusalem Baptist Church of 130 Charlton Street and McElroy were advised that their trial was delayed to April 21. This means that their case will probably be heard at the same time as a similar case against Rev. P. M. Beverley which was postponed last week until the 21st.

Trial of John O'Bryant on the original charge of attack made by Mrs. Bell in behalf of her underage daughter was expected to proceed Monday but late in the day was postponed to April 11. All day the plaintiff and her daughter waited in Judge Van Riper's court for the trial scheduled. She was fashionably dressed and sat just one row behind the man, John O'Bryant, whom she accuses of the attack.

She also charges that Rev. Beverley, Benjamin O'Brien, Mrs. Spencer and Leavy McElroy conspired to obstruct justice by a plot to have her withdraw her charges and abandon pressing the case.

March 25, marked the eleventh year of the world famous Scottsboro case and the 11th year of imprisonment for five of the nine innocent Negro boys who were victimized in that frameup, the I. L. CIO Meet April 12

A special convention of the CIO in New Jersey has been called to deal with war production problems according to Irving Abramson, State CIO president. The first action of its kind in the American state-wide meeting is emphasized by the short notice given in the call for the convention which is to be held at the Essex House in Newark, on Sunday, April 12th.

The convention call sent to 237 local unions of the CIO sets the tone of the meeting. It states that "our CIO must prepare by joint effort a program for war production which will prove conclusively that we can 'work to win' it. It must cover all phases of the problems of producing for the war effort. It must be geared toward making the public government and industry understand that we have made this war our war and that we intend to win it both at home and abroad; that we shall together resolve to leave no stone unturned to reach our goal of swift victory for the United Nations."

Left Loses Appeal

Harold A. Lett appeared before the Newark Excise Board last week to protest a license transfer granted last week to James Magazette for premises at 51 West Market Street, opposite the New Jersey Urban League building. Lett said the League had not been notified of the transfer in time, but Chairman Crosta denied this and the board ruled that the transfer was valid.

"At a regular meeting of Pride of Newark No. 99, I.B.P.O.E. of W., held at the home on Friday, April 18, 1941, the following resolution was unanimously adopted and passed by the same order: To be sent to the Grand Exalted Ruler.

"Whereas, it is a matter of record that Brother William P. Burrell, Sr., was initiated as a founder and charter member of Capital City Lodge No. 11, Richmond, Virginia, on the 17th day of March, 1900, and

"Whereas, his services as a builder and lover of the order were so marked that in a short time he was elected Grand Exalted Ruler B. F. Howard appointed him to the honorable position of Grand Chaplain, which position he filled with credit, and

"Whereas, when Grand Exalted Ruler B. F. Howard used Grand Exalted Ruler W. E. Atkins and others, claiming that the rituals of the organization were his personal property, it was on information and valuable sworn statements furnished by Brother Burrell that the suit was decided in favor of the Grand Lodge and the works of the order saved, and

"Whereas, the interest of Brother Burrell in the order never waned and on coming to Newark, New Jersey, he connected himself with Pride of Newark Lodge and wrote and published the platform upon which our present Grand Exalted Ruler, J. Finley Wilson, was elected, and

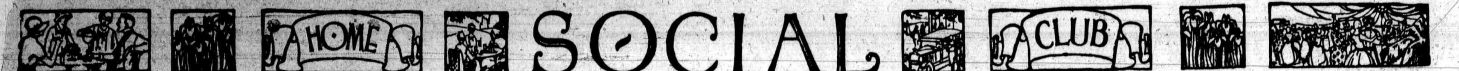

"Whereas, for several years he served as Assistant Grand Exalted Ruler of the same lodge, and

"Whereas, in the recent Virginia case against the Grand Lodge it was he who furnished photostatic copies of valuable minutes of the first and other sessions of the Grand Lodge which helped to establish the absolute right of the Grand Lodge to operate the only Grand Lodge of this in the race, and

"Whereas, Brother Burrell has for many years served as the Recording Secretary of the I.B.P.O.E. of W. No. 93, with accuracy and distinction notwithstanding the fact that he is in the 76th year of his age, therefore

FINALE TO DANCING IN DARK

Saturday night socials clustered about each other at Shady Rest and danced under Manager William Willis' new blue fluorescent lights, blue being the color preferred by the top night spots everywhere. The new lights have driven into the past that big dark corner of the hall facing the golf courses where twilight many a love-lorn dance couple has at hundreds of dances held each other just a little closer—probably because in that dim light era you could see the silvery moon outside on clear nights or the blankets of white snow in winter. This action to streamline Shady Rest becomes, inadvertently, the finale of a lovely succession of "Dances in the Dark." A hundred formals have meant for thousands of couples this brief excursion into the half-light as they skirted the floor and who knows but that a thousand or two romances have not been born under that moonlight which used to find its way into that section of the hall. Such is progress.

NAPE

The occasion was the Spring dance of the Montclair Postal Alliance. Ladies, probably uncertain just what to wear, chose street dresses in most cases, but many went formal and all would just as readily have gone formal as the NAPE made the event formal and sold their tickets at the same. Invariably night dances which are called informal simply confuse the guests and there should be a rule that formal wear is preferred at all evening affairs given by private clubs. Three men braved the night and wore the proper tuxedos, one being Dr. A. C. Thornhill of Montclair. A score or more of ladies did the same. Best illustration of the effect of this conflict in dress and also how it was skillfully solved might have been seen in the Carl Mahoney's of Montclair. Mrs. Mahoney was formal in red jersey top with hood falling in the back arranged to pull over her head after leaving the hall. The brilliant du-pont top and the cream colored skirt contrasted well. Her husband, one of Jersey's best dressed men, compromised with dark blue suit and striped blue shirt. This was a frequent couple combination in street clothes, and the woman formally clad. Marjorie Peterson wore a flowered dinner gown. Mrs. Hugo Wahlstrom wore a filmy chartreuse dinner gown. Favored flower was white gardenias in the hair. Sweet peas came second. Lovely dance, plenty rhumbas, good music, everybody there.

TWEEDSMEN

The so-called "Golden Boys" of Newark and Jersey City have organized themselves into the "Tweedsmen," a younger social club which bids fair to outlive Gotham's famed Guardsmen. (By the way the N. Y. Guardsmen Sport Team is April 10th at the Savoy. Sport clothes for the ladies, street for the men). Tweedsmen officers are none other than Douglas Lett, popular H. B. Scott of Jersey City, Henry Bolden, Carl Trainor, Harold Ray and members Frank Carroll, Billy Edwards, Dick Blaine, Wallace Taylor, Ray Alexander and Heywood Miller.

MARVA

Marva Louis in form fitting blue suit and hat dropped in a newspaper party in New York last Friday evening and didn't even get a nod from the celebrity-accommodated scribes. Later, however, she posed with them holding a cocktail glass. Camera conscious Mrs. Eunice Hunter Carter without a word neatly took the glass from Marva, put it out of the way. It would never do for the champ's wife to pose with such a glass. . . . and a tip to parties at dances. When a photo appears, not allow yourself to be taken posing in back of liquor bottles and glasses. . . . the impression created is not the best.

PUBLICITY

To correct any possible erroneous conclusions by social clubs in the matter of publicity may we cite these rules: 1. Publicity event events at which admission is charged means that the club is expected to run paid advertisement whether the affair is for charity or not. 2. However, there is no charge for write-ups of the event after it is given. 3. If clubs desire affairs covered they should always send complimentary tickets in advance or invitation cards sent to the paper and not any individual.

PILGRIM-BETHLEHEM BAPTIST CHURCH, 34 Hudson street, Newark, Elder Samuel A. Wilson, pastor. Our services throughout the day were indeed a great spiritual uplift to everyone who dared to brave the chilly breezes, downpour of rain and snow included, to worship with us. The 3:30 service. The pastor's sermon "The Triumphant Ride Into Jerusalem" started the day for us. The large attendance and fine program, refreshing sermon by Rev. Paul Jones of Montclair for the Missionary Circle at 3:30 was "Eggs". The evening worship was a shower of blessings.

"Everything talks about the weather, but no one ever does anything about it," once said Mark Twain, the great writer. If one could have, one would have, in Palm Sunday, when a fast and furious snow obliterated all the signs of spring. Most Pre-Easter Parades were canceled entirely. Nevertheless there were two stylishly dressed ladies displaying what's being worn in the church. One of the pretty ladies was Mrs. Howard Miller, Jr.; the other, Mrs. Carolyn Gager, who is Mrs. Miller's houseguest and also a teacher in the Witherspoon School. Mrs. Miller lamented the fact that her daughter, Rosebud, who is a sophomore at Fairleigh University, would not be home for Easter.

I see by an insignia that John Richmond is our downtown air raid warden. In my opinion, he's the right man for the position. Robert Clayton, better known as "Mr. Chip," was home from Camp Upton last Sunday. He says he gets a kick out of having Uncle Sam tell him what to do and what to wear. That's Bob, all over. "Uncle Sam" has an eye on Bill Trolman too, quiet as he is kept. It's just too bad poor G. S. can't make up her mind as to who's who in her two-timing heart. She has too many B's in her alphabet. It's funny, but it's true. No matter how high a bird flies he must finally come back to earth to rest with the rest of the little birds. Those that are not quite so air-minded. To wit: one of our "Hi-fa-lute" ladies flapped her wings and hit the ground like a hatch to bricks. Her untouchable home on the level is now on the rocks. Once this snobbish lady didn't even bother about looking down to speak to folks. Ah, but now she's just another "lost ball in high grass."

Friends, don't forget to send Mrs. Rose Vesta a get-well card or drop in to see her. She's confined to her bedroom in the home of Mr. and Mrs. Arthur Shaw on John Street. * * * This column sends condolence to the grief

stricken family of the late Peter Birdson. * * * The Industries Art Club is giving a tea at the home of Mrs. Nina Smallwood, Sunday, April 5, at 4 o'clock. Mrs. Cora Beagle, the president, is urging all to come out.

"Christmas Night in Harlem" had nothing on Monday night at the Princeton Club, comparatively speaking. She rocked in rhythm like a southern church revival day. Jitter bugs jumped like conga drums. Jimmy Stanley, the ace of all emcees, was right on the job dishing out a new brand of musical value, which kept the packed house in an uproar. Vagabonds dropped in and put over several of his inimitable scats, which were more than cartoon copies of Cab Calloway.

Mr. and Mrs. Omega Smith of Montclair were among the guests. Mr. Smith, who is a noted pianist, responded to many requests by patrons. He passed himself off not playing as usual, since he now plays a novacord featured in his own orchestra in Orange. Kid Green, the contrary, rhythm, played exceedingly well under the circumstances, owing to the fact that Mrs. Green is quite ill in the hospital. Mr. and Mrs. Smith and Bruce Williams, the mixologists, were busy as bees concocting punches for the Merry Maids. The Young Peoples Forum, Mr. and Mrs. John Laramore, representing the Citizens Club, Spied Pimpy Power as quiet as a mouse, and the contrary, rhythm, ladies blowing his top. Mr. and Mrs. Harry Williams pitched an impromptu party by leading two tables of balls with him. Four o'clock in the morning and they were still balling.

Mrs. Goldie Carter of 5 Johnson Ave. held a birthday party at her home Saturday evening in honor of her husband. The party was held at 18 Elise St. in the Taxi Business for himself. Hats off to Roland Cox who is the star of the town. He is flying fast, Tankagee, Alabama. Now we have one of our own boys in the Air Corps. The Young Peoples Forum held a game of basketball at the hands of the class Plainfield Rennie, Friday night at the Hubbard St. School. The Young Peoples Forum Team fared much better in the featured attraction by fighting the powerful, and more experienced Rens to a tie score of 23 to 23. And because of the liveness of the hour the tie off couldn't be played but the Forum was booked a return game for a Friday night at home. The Forum made a wonderful showing against their opponent, who have been playing together for several years and with a coach that devotes all of his time to them.

A shower was given Mrs. Velma Cox at her home, 218 High St., Monday night by the Young Peoples Forum. Many beautiful gifts were bestowed upon little Frederick Cox Jr. The St. Mark's Church will hold its annual Holy Week at the Church, starting Monday, March 30th, at 8 o'clock. The public is cordially invited to attend. Miss Edna Gipson is home from studies at Wilberforce for two weeks.

Miss Christine Moes, sister of Mrs. Velma Cox is a new resident of our town. We wish to take this opportunity to welcome you and hope that you will find Cranford a likeable place.

The Palm Sunday program was sponsored by the Young Peoples Forum at the First Baptist Church, Sunday, March 29th. The program was held on the society pages of this issue. Miss Dorothy Stuart was a visitor to our town Sunday. She stayed at the home of Mrs. F. M. May I at this juncture comment the choir of the First Baptist Church. You really sound great and hope that you keep up the good work under the capable direction of your Pastor, Rev. Benj. P. Allan.

Hightstown

By CALVIN H. HOWARD

Thursday night the race moving picture will appear at the St. James A. M. E. Church under the auspices of the Conference Committee. Citizens of Hightstown, please do not miss the opportunity being extended by the American Red Cross to those who are interested in learning first aid. We have one class now completing their basic training and are interested in getting another class in the future. Please remember that the more we learn about accidents the fewer we might have. If you are interested in this training contact Mrs. Alice Carter, Morristown Avenue, or Calvin Howard, of Mercer Street.

A reception was given at the St. Alvin Baptist Church Saturday night under the auspices of the Pastors Aid. The church and congregation Friday night. Afternoon services are still being continued at St. James' Church. We hope to see other church soon in Hightstown. Watch for its coming.

Thomas R. Williams is now recovering from burns sustained when a gas tank exploded a few weeks ago. The Hightstown All-Star basketball team has made an almost perfect record in basketball this season, losing only one game at Princeton last Saturday.

What is life without society? It seems as though we just can't live without it. Now how about it? They tell me Florence Greene gave a party last Saturday night. We have a "groovy like a ten cent movie."

Bette Morton seems to be doing all right for herself by singing those fine social affairs about those "chicks, Bette."

TO WHOM IT MAY CONCERN—Well folks, there really isn't much to say along the sick except we are very sorry to hear that our good friend of ours, Ernest Pasquet was hit by a terrible accident with baby brother's motorcycle last week.

Well folks, what have you got on your minds for Easter week? If you haven't got your mind set yet, well there are several fine dances coming up over the next few weeks. We wish you a very happy Easter.

Did you all dig that fine "In The Dark" chick Lil Green, the other Saturday night up at Shady

All in all, barring the weather, it was a very pleasant afternoon well spent and the Forum is entitled to a lot of praise for their efforts.

CRANFORD, N. J.—The Young Peoples Forum of the First Baptist Church, Cranford, played host to many friends Sunday, March 29, at their church. It was a Palm Sunday program arranged by the Young Peoples Forum, led by Rev. C. D. Durham. The program was opened by the singing of "Our Father," followed by prayer by Deacon William. The Rev. Alfred Brown offered the greeting and the program got under way with a "Palm" selection by Carolyn and Gladys. The program was closed by Rev. Alfred Brown, after which Iona McIntyre read a paper. Porter's Inn Opens

This is a story of continued progress since 1898. During that year, the Caruso boys started in the liquor business in a very small establishment at 435 Jackson Ave., Jersey City. It wasn't very long after that, it became apparent that their aim was not only to please their customers with the best service, but also to make it a real pleasure to enter their place of business. Constant improvements became their watchword and as a result on December 1, 1940 the store now located at the corner of Jackson and Forrest Street opened as one of the most attractive and well stocked package stores in the state.

Not content with this great achievement the Caruso boys pur-

chased a bar within the neighborhood which was considered to be far below the average bar in appearance, cleanliness, and serviceability. At the time they were unable to offer that kind of service that they desired to render; but after constant striving for a year, Porter's Inn now located at 431 Jackson Ave. emerged from a dream into a reality.

Stated Louis Caruso, "Porter's Inn represents what we all would like to imagine would be the sort of place where we could relax and enjoy ourselves in an environment where cleanliness, service, the finest cuisine, and all around good fellowship abounds."

Upon entering the store one is immediately impressed by the many brilliant colors and designs to be found in the terrazzo floor which covers the entire floor space. A sanitary base extends the full length of the bar. All

equipment in the kitchen is of heavy gauge stainless steel. The bar which is 62 ft. in length has many fine features. Illuminated with fluorescent lighting as in the store. Red cushioned stainless steel stools are plentifully distributed in front of the bar. The refrigeration system features the direct draw system. One can see into the pre-cooler in the cellar and watch their beer as it leaves the barrel in the cellar and enters into their glasses. Having provided the bar with sufficient sterilizers, it will be the policy of Porter's Inn to sterilize each glass after each drink. The back bar is provided with an ice maker large enough to turn out hundreds of ice cubes at every freezing.

Even though you can readily realize that these features are really outstanding, you must see them with your own eyes in order to appreciate them.

Johnny Downs and his comic sidekick MANTAN MORELAND, popular Negro comedians, find themselves in a tough spot in "Freakles Comes Home" showing at the Essex Theatre Wed. & Thurs. April 8-9.

Also on the same program will be "Alcatraz Island" starring Ann Sheridan and "West of Abilene," a thrilling western starring Charles Starrett.

Tiny Prince Spiels

Who are the Tweedsmen? I'm going to give it up though, I've had it long enough. You've peeped at the Sun again stood under the moon, but if you don't dig this spiel on the field, you're crazy as a loon.

The Cigarette Dance for the benefit of our colored brethren really was a sender. New faces from the Oranges like Theresa, Lee Bailey, Ruth Bartlett, Ann Coleman, looking for D. C., her romeo all through the night, and that frantic bass player of the Barons of Rhythm, Clarence Mack, Rhea Chapman, chirping canary, formerly of Boston Plaza; John Hunter, Don Juan of Montclair, plus hard hitting Bulls Brown Jr., who lays down too much gas or gum with Banna, yellow oriental, hometown boy making good. "Said, Said" with a little lettuce and mayonnaise.

Leading mosey, followed by Helen Fox, her companion, Frank Carroll, that yah, yah Golden Boy looking in the glow. Pete Diggs nearly causing a riot when his band made their appearance and gave forth with too much swing. Debs and Celebrities came on with hoping that they never been witnessed by Yours Truly. Herbie Smith, president, even took on a few solos. Joe Briggs, top artist and Sugar Payne, frantic little entertainer, just in from the Coast, grooved themselves to nutty raves. "Twas righteous, Cats.

Just let me knock, knock, but don't let this live be forgot. righteous, Cats.

[This couple that I am about to mention are really in there like a 52 stallion, and do come out of it, hit, much, ballroom. The chippies and ickies don't think so, but I know and really think they deserve some respect and a little jitters. They really need no intro, Rudolph Jackson and wife, as his partner, do dancing that more colored youth should try, because it's definitely in for the county.]

Sunset Royals dance was not as expected, but those who were present, really came with surprised looks for Doc Wheeler and 171 boys and only played "What About That Mess," out gave out with windy little music for the soul, and everybody was happy. Myrtle Wright and sweet Daddy Wah Wah, Joe Lockhart were nestling very close.

Josephine Young sported yellow coat, brown pants and caught many an eye with Nina Franklin, Mamie Rice, Virginia Stokes, Marie Baker, goddess of the Universe and Maxine Danala, featuring red.

Here's some news told to me by a sweet chick who is not as sweet as Larry West or running for position as Golden Girl with Emma Kay, or who dresses as frantically as Genevieve Smith or Lillian Murphy, Mary Davis or Junior Deb Katherine King with Elizabeth Jackson. The bird of the glided cage spied to me that the finest bunch of fellows she ever met were the Magnificent Wacks, seven of the most upstanding

leading young ladies in the know: William Hutchins, Grady Trav- 52 stallion, and do come out of it, hit, much, ballroom. 'Voice' Press Party

NEW YORK — The latest addition to Negro journalism, "The People's Voice," held open house for the local and visiting newspapermen and women who attended the Lo-Simon fight at Madison Square Garden Friday night.

It was a gala occasion and the members of the Fourth Estate, lined and wined abundantly through the hospitality of the house. This marked the first time since Joe Louis became a headline boxing attraction that a local colored paper has entertained the press and the event brought forth plenty of unsolicited compliments from the guests.

Among those seen mingling with the press were: Mrs. Marva Louis, Mrs. Eunice Carter, Mrs. Ella Manley, Attorney Murray and Fourth Estaters were: Wendall Smith, William Glendene Black, Dan Burley, Art Carter, Lem Graves, Fay Young, Buster Miller, Hyland Reid, Butts Brown and the staff of the Voice.

PLAYS IN TRENTON

Jimmie Lunceford and his orchestra, popular from coast to coast with dancers, theatre patrons, radio listeners and record fans, will come to the Memorial Building, Trenton, N. J., on April 11th, for one night only. Titles of two original song numbers with which he has been identified ever since they were introduced, give an excellent description of the music of the Lunceford boys. These titles are "Rhythm is Our Business" and "For Dancers Only." The former phrase has been adopted as the official tag-line for the band, and while the second one is not literally true, since they can present a stage show that is packed with entertainment, their rhythmic music is designed primarily for dancing purposes.

NIGHTLIFE WITH THE NIGHTLIFER

TALK OF THE TOWN

Everywhere you go these days among the hot spots the talk all centers around the Herald News' Entertainment of the boys. An official of the USO who attended the Cigarette Dance at Skateland last week pointed out that our boys have not been entertained by our performers like the white soldiers. Eddie Mosby and your Nightlifer immediately volunteered to interest our entertainers and musicians in such a program and take a show to Dix real soon. Any of you who would like to take part in this show contact Eddie Mosby or the writer.

SAY NOT SO

The jitterbugs are beginning to worry over the prospects of losing their juke boxes. This would be a calamity to both these hot music lovers and the various dance bands who have been skyrocketed to fame via recordings. It would also be a hard blow to small store owners and hot spot proprietors who depend on their take from these machines to take care of a nice bit of the overhead.

THE PIC OFFERS TOPS

Teddy Brannon and his band, appearing with the Anna Mosey at the Piccadilly Club and the boys have just about played their way into the hearts of all the patrons of this popular niter. With the Summer season rapidly approaching the Pic will again be the center of nightlife activity and our other local drafters to take care of a cool and inviting place to wine and dance.

Then there is Melva Smith and her charming voice and personality to sing your favorite songs. Her style and voice has met with favor among Pic patrons and she has enjoyed a stay there which has been a howling success.

A GRAND SEND-OFF

The boys gave Eddie Davis a grand send-off Tuesday night at the Grand Hotel. It was a whole of a party and gave the boys something to remember of a pleasant

East parade fashion outfit will be worn both on Easter Sunday and on Easter Monday night because on that night Jimmie Lunceford and his orchestra will be holding forth at Krueger's Auditorium, 25 Belmont Ave.

Musical Master Lunceford will

rolling a lot of brand new hit songs for the benefit of the thousands who are expected to really celebrate their Easter on Monday night.

The Lunceford dance is to be a major event for other reasons, too. With blackout nights looming ahead, there may come a time when there will not be so many big band dances among the Eastern coast. And that is all the more reason why dance lovers should not miss the treat of hearing Lunceford once again.

Lunceford plays here Monday night and then will "dig" Trenton next Saturday night at another affair.

Bartenders' Contest

(Continued From Page 1)

denly jumping into the lead. Dougie wants it known that his drop in the standing this week does not mean he is relinquishing his determination to win. The interest in his campaign is so intense in Morristown that the whole community is rallying to his banner. Dougie must still be regarded as one of the most powerful men in the race because of this strong support which he will probably bring into full play the remaining three weeks of the race.

Showing increased strength is the likeable Japer Mason of the Rin Tin Tin. Mason moved into fourth place this week and looms every day as a contestant who must be regarded as the "dark horse" in the race.

Bill Fredericks of Little Johnnie's moved into fifth place and is driving hard to be in a position to jump into the lead the last week of the contest.

Showing plenty of strength and roaring into the home stretch like Man of War is Sporty Hill of the Rideout Bar and Grill of Hackensack. Here is another contestant who enjoys the benefit of community backing and this makes him a favored contender.

Still very much in the thick of the battle is Louis Pitts of the Springwood Bar and Grill. Pitts has made a consistent showing since the very first week of the contest and with the host of friends he has pulled for him he stands a mighty good chance of winning.

Winding out the first ten is Emory Daniels of Caruso's Bar and Grill in Jersey City. Johnnie Carr of the Heat Wave and Jeff Booth of the Omega Bar and Grill who are making a sensational push for top honors.

A pile of gloom fell over the contest last week when Frank Major of the Green Grove Tavern of Kearny was stricken and died. His death came as a terrible shock to his many friends who had been rallying in his support and in the course of a few weeks had pushed him into seventeenth place.

With only three more weeks remaining before the close all of the contenders are busy planning their moves which they hope will make them the winner. Norman Keil announced this week that his Booters Club is staging an Easter Monday Jam Session for him at Saul's Tavern. Willie Dixon, the booters are also planning several affairs in his behalf while Bill Books reports that he is planning a party of parties will be staged for the contest.

This bartenders contest has become the rage of the country and is an epoch-making event in the State. Other sections of the country are copying the idea but those who are participating in this first contest are making history in the tavern business. The Beverage Retailer's Weekly this week made mention of the contest in the widely read column, "Calling on the Trade" by referring to the contest. "There's a heated contest on among the colored tavern bartenders for the popularity contest now running. It is promoted by the New Jersey Herald News, colored newspaper in Jersey. Several candidates are running neck and neck. Bill Roberts of the Boston Place and second, says Harold Keil of Saul Ungers he's heading for first place."

The honor and prestige plus the prize money is sufficient incentive to provide the keen competition which has featured the contest.

NICHOLS IN OPA

"I am proud of you Nelson," that is what United States Senator William H. Smithers, of New Jersey said to Attorney Nelson H. Nichols, Jr. Attorney Nichols on the recommendation of Senator Smithers has just been named to the legal staff of Price Administrator, Leon Henderson.

Senator Smithers told his friend how pleased he was to be able to bring about this appointment and that he was confident that Mr. Nichols' services would reflect only credit to the Negro Race, to his State and to his Country.

Attorney Nichols is a resident of Atlantic City, for a number of years.

POPULAR MAN POURS POPULAR BRAND

John "Sporty" Hill of Rideout's Bar & Grill, Hackensack who has been in the first ten since the Herald-News Bartenders Contest began. He is shown pouring Schenley's Cream of Kentucky.

More Baxl. Terrace

The home of Mr. and Mrs. R. McEachern of 186 Orange street was the scene of a beautiful wedding on last Sunday evening, when their daughter, Lois, became the bride of Mr. Harry Hiltenson. She was given in marriage by her father, with Miss Anella Waters as bridesmaid.

The bride wore a beautiful gown of white satin and carried a bouquet of gardenias, while the bride's maid wore a gown of powder blue and carried red rose buds.

Mr. James E. Hutchinson, brother of the groom, acted as best man. Rev. J. E. Hutchinson of Cliffwood, father of the groom, performed the ceremony.

After the reception the young couple left on their honeymoon for New York City.

The Cubs of Troop 67, Dens 7 and 8 met Monday evening in the Recreation Hall at 202 Orange street. We were told the many ways in which we could help in case of an air attack. We were also told to be on the lookout for boys and girls who mar the property of the Baxter Terrace and to report such. We shall do our best to keep ourselves, our homes and surrounding grounds clean. With Den Chief Jackie Brantley of Den 7, and Den Chief Charles Johnson of Den 8 as our leaders, we are off. Our guests, Mr. and Mrs. Paul Walker and Clifford Lee are Keepers of the Law. Easter Monday will find us off on our first picnic with Den Chiefs and Clubmaster Medley. Washington Jobs

WASHINGTON — Between October, 1941, and February 23, 1942, colored civilian employees in the Navy Department in Washington have increased from 511 to 1,051. It is shown in a detailed list prepared for the President's Committee on Fair Employment Practice by the Navy Department. The list shows that the Navy Department, in its civilian employment, has taken steps to use all available workers, regardless of their race, creed or color, in keeping with Executive Order 8802, issued by President Roosevelt last June, and it indicates that Negroes, who have passed Civil Service examinations, hold jobs in 18 of the 21 bureaus and offices of the Navy, and that they fill positions from "professional" to "custodial," it was pointed out by Lawrence W. Cramer, executive secretary of the Fair Employment Practice Committee.

Camel Ciggies Say Did Not Practice Any Discrimination

WINSTON SALEM, N. C. — Camel Cigarettes had nothing to do with Jim Crow seating arrangements at Fort Riley, Kansas, Soldiers Replacement Center February 25th as published in the March 14th issue of the Herald News, they claim.

A story on the Kansas City Call to the effect that girls distributing Camel cigarettes failed to pass them out in the segregated section was evidently erroneous.

The soldiers were segregated at the Center due to the segregation policy of the United States army

Beauty Law Change

Changes in regulations of the State Board of Beauty Culture Control, making it possible for women to qualify as beauticians have been announced. The rules were amended according to Donald J. Connolly, executive secretary, because of scarcity of operators.

The changes eliminate a requirement that 30 days elapse before a student may apply for re-examination after failing to pass an examination and that non-essential subjects may be eliminated.

Connolly said schools will be asked to stress such subjects as hair styling, shaping and permanent waving, but that operators will still be required to study 1,000 hours before taking an examination. The rules will be effective for the duration of the war.
